Dear Austin Evers:

This responds to your Freedom of Information Act (FOIA) requests, dated and received in this Office on August 30, 2018, for records related to the Federal Bureau of Investigation (FBI) headquarters consolidation project from any White House meetings which occurred on or about January 24, 2018 and June 15, 2018. This response is made on behalf of the Office of the Deputy Attorney General.

Please be advised that a search has been conducted in the Office of the Deputy Attorney General and six pages were located that contain records responsive to your request. I have determined that all six pages are appropriate for release without excision, and copies are enclosed.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2018). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you have any questions regarding this response, please contact Peter Wechsler of the Department's Civil Division, Federal Programs Branch at 202-514-2705.

Sincerely,

Jonathan Breyan
